

Last summer, Chapel Parish Council and Shift began a review of the Memorial Park, engaging with the local community to find out what people wanted the future of the park to look like.

There was a great response and it was lovely to see how much the park means to you all.

Over the next few months we'll be putting some of the recommendations which came from that work into action. This newsletter aims to keep you up to date with developments and give you opportunities to get involved.

## Looking back

The engagement activity revealed these are things you think would make the park a better place for everyone:

- Events & activities
- A reduction in anti-social behaviour
- Improved security
- Improved playground, skate park and football pitch
- New fitness equipment
- Developing nature

You can find a copy of the report by visiting [www.shift-together.co.uk/chapel](http://www.shift-together.co.uk/chapel) or by scanning the QR code below.

## Moving forwards

Some changes have already been made based on feedback from last summer. New picnic tables have been installed, the wildlife area has had a tidy up and a new sculpture is about to be unveiled, bringing some arts and culture to the park.

Look out for activities and events taking place in the park this summer.

## Join the Friends of Chapel Park group

Plans are in place to set up a Friends of Chapel Park Group

Being part of this independent group will enable you to have a real say and input into the future plans for the park.

If you'd like to get involved or for more information please contact Emma at Shift by emailing [Emma@shift-together.co.uk](mailto:Emma@shift-together.co.uk)
